We have finished "taking stock," and the next thing in order is to "mark down" prices and close out Summer Goods to make room for fall purchases.

1.—Sugars—The business in raw Sugars at the Northern ports is more active, and the market is firm at previous figures. We quote Muscovado, \$9 test, at 4 9-16c, and centrilugal, 96 test, at 5 5-16c per lb. For refued Sugars the business has been more active within the last few days, and the market is slightly firmer, with a moderate snapply of steck offering. We cannot "carry over" goods from one season to another; we haven't the room to pack them away; thus we are compelled to get rid of them, erate supply of stock offering. We quote hards at \$6 50 for cut loaf, \$6 44 for cubes, \$6 50 for powdered, \$6 44 for granulated. Softs-\$6 50 for mould A, \$6 28 for confectioners' A, and \$6 12

Bio invoices are quoted nominally at 20¼a20½c per lb for fair. We have a good assortment of both white and colored, from the lowpriced to the fine seamless.
